... CONNECTING HOMELESS FAMILIES WITH A BETTER FUTURE

Sleep Out Saturday – November 7th, 2009

About the Event

Sleep Out Saturday began in 2004 with the purpose of raising awareness about the issue of homeless families in DuPage County and raising money to support families in the Bridge Communities transitional housing program. The first year over 500 people slept out at 18 different sites and raised \$40,000 and achieved an impressive level of media coverage before, during and after the event including radio, TV and print.

In 2009, we expect nearly 75 groups and over 1,200 people to 'sleep out' with a financial goal to raise \$130,000.

Your sponsorship will create a bridge to a better future for homeless children and families throughout DuPage.

Yes, I wish to become a Sleep Out Saturday for the Homeless Sponsor!
