

My Charitable Plans

Bridge Communities welcome a variety of estate gifts from individuals who wish to create a legacy of hope and long-term change for homeless families. We hope that you will share your name(s) and the details of your gift with us so that we may thank you. In recognition of your generosity and dedication to supporting the work of Bridge Communities into the future, you will be welcomed as a new member of the Create Your Legacy Society, have the option of recognition in printed materials, invited to events that highlight our mission and advances our vision. If you prefer to remain anonymous and not be included on donor lists, we will respect your wishes.

When you share your charitable plans with us, it helps us project the future community support that is so essential to helping families move from homelessness to permanent housing and self sufficiency.
