2020 Sponsorship Opportunities

Each year, this is a sold-out event — and with good reason. Celebrating Women, Transforming Lives is a unique opportunity to recognize talent and commitment and honor courage and success, right here in DuPage County. This is your opportunity to impress over 350 community-minded guests with your company's values and commitment to improving lives.

Celebrating Women
Now in its tenth year, Celebrating Women, Transforming Lives shines a light on a woman who, through selfless dedication, has made DuPage County stronger and more vibrant for us all. Where would we be without the vision, energy and relentless commitment of these inspiring leaders? Yes, their talent and drive directly impact those they serve, but each of us benefits when all our neighbors are thriving.

Transforming Lives
For the past 32 years, Bridge Communities has worked tirelessly to provide families with transformative opportunities. This event singles out one graduate who exemplifies what is possible through the program. The details of their stories may vary, but all have demonstrated a humble willingness to accept help and the remarkable grit necessary to succeed.

Please demonstrate your values and community-mindedness by joining us as a sponsor.

As a sponsor, you'll enjoy the benefits described in this brochure, plus you'll align your brand with one of the area's most respected and innovative not-for-profits.

Bridge Communities is an award-winning, highly regarded community partner. Our mission is to transition families from homelessness to self-sufficiency.
