

We are happy to announce we will still be having the Glen Ellyn Backyard BBQ competition on September 12th! In order to comply with state, local, and CDC guidelines, we will have a different format to limit the contact between competitors, judges, and volunteers.

**Here are the highlights of the new format:**

- Teams will cook at their homes and drive to turn in their entries at a central location in Glen Ellyn
  - There will be a larger window for turn in times
  - Competitors will drive up, hand off clamshells, and leave
    - KCBS rules must still be used
- Entries will still be judged on-site by KCBS-certified judges
  - We will only have 2 categories - Ribs and Best Dish
  - We will live-stream the results online

Further details will be released in the coming weeks. If you are interested or have questions, please send an email to
